

Texas Workers' Compensation Educational Presentations

presented by the Office of Injured Employee Counsel

MONTHLY EDUCATIONAL PRESENTATIONS

Do you want to know more about the Office of Injured Employee Counsel (OIEC) and the Texas workers' compensation system?

Come to our educational presentations held monthly in each of the local OIEC Field Offices!

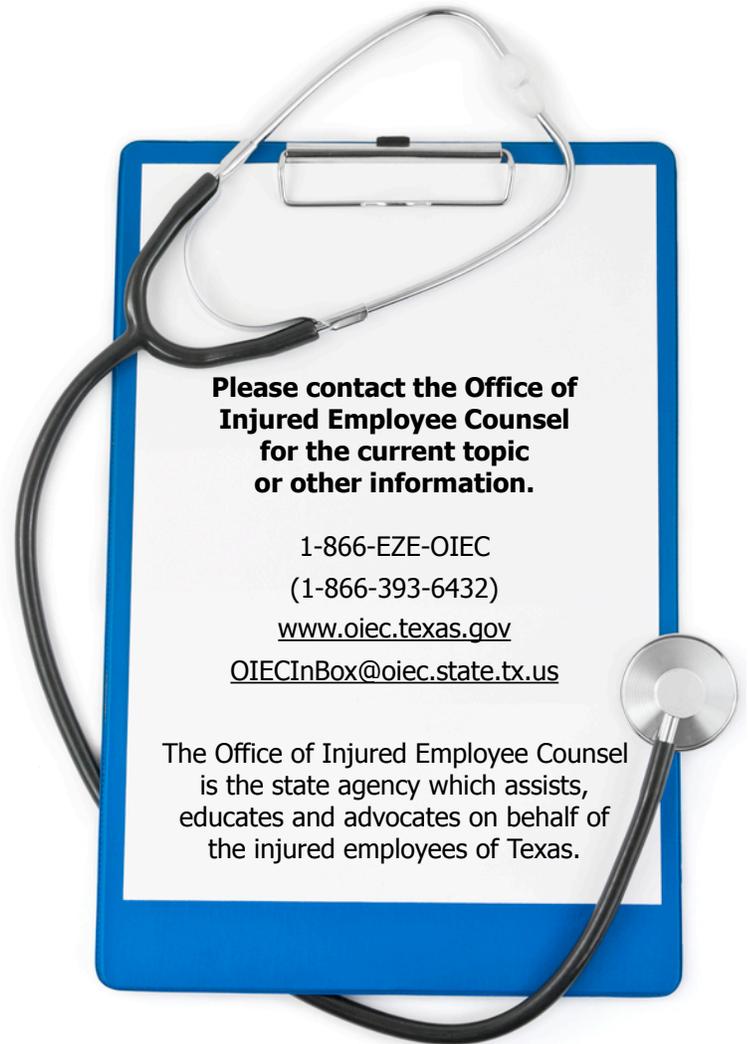

2012 Presentations

January 27, February 24, March 30,
April 27, May 18, June 29,
July 27, August 31, September 28,
October 26, November 30, December 14

Time: Noon to 1 p.m.

Place: Your local OIEC Field Office

Injured employees, employers, health care providers, attorneys, and others interested in workers' compensation will find this information helpful. OIEC also offers public speaking services for meetings or conferences.

Please contact the Office of Injured Employee Counsel for the current topic or other information.
